ANNABELLE DEEN
APPLIED GERONTOLOGY

As a dedicated hospice volunteer who lost grandparents to Alzheimer’s and COPD, Annabelle is inspired to use her specialized understanding of healthy aging over the lifespan as a pre-professional program to prepare for physician assistant’s school.

“I'VE TRIED TO PRIORITIZE MY TIME WITH SCHOOL AND VOLUNTEERING. EVERY TIME I'VE GONE, I FEEL SO GOOD AFTER LEAVING. IT’S SUCH A HEARTWARMING EXPERIENCE.”
